Networking

PASSIA is a member of the following networks and associations:

▶ **Palestinian NGO Network (PNGO)**

The PNGO Network, established in 1995, strives to promote coordination and cooperation among Palestinian NGOs and to advocate their right to exist and function without restrictions. It is active in advancing democratic values and in strengthening the role of the civil society in Palestine. At present the network has 76 members (see also <http://www.pngo.net/>).

▶ **Euro-Mediterranean Study Commission (EuroMeSCo)**

EuroMeSCo was established in 1994 (PASSIA was a founding member) in order to provide Mediterranean countries with a forum for debating international policy and security issues from a regional point of view. In principle, network members deal with international relations and security, carry out policy-oriented research, enjoy a domestically and internationally recognized reputation, and are NGOs.

In 1996, EuroMeSCo's scope was expanded to include institutes from non-Mediterranean countries. EuroMeSCo strives to promote dialogue and the exchange of information between its members; to support their institution-building and research capacities, and to foster cooperation between the civil societies in the member countries. EuroMeSCo has currently 38 full members and 13 observers. (For further details see: <http://www.euromesco.net>)

▶ **The Arab Social Science Research Network (ASSR)**

ASSR strives to promote policy research, improve regional cooperation, develop research organizations, and assist researchers. It was launched in Beirut in August 1996 by a group of senior researchers from the following leading regional institutions (see <http://www.assr.org/> for more information):

- Lebanese Center for Policy Studies (LCPS), Beirut
- Lebanese Association for Educational Sciences, Beirut
